Re: *Bilinsky v. Gatos Silver, Inc.*, 1:22-cv-00453 (D. Colo.)

Dear Judge Brimmer:

On behalf of Lead Plaintiff Bard Betz and Named Plaintiff Judge Sweidan (together, “Plaintiffs”), we submit this letter to update Plaintiffs’ Motion for Distribution of Net Settlement Fund (ECF Nos. 100 to 100-7) concerning the treatment of two claims.

Specifically, based on further communications with two claimants and additional review of supporting documentation, the Claims Administrator recommends that the Court accept two claims that were previously recommended for rejection. These claims are reflected in the updated versions of Exhibits B-2 and B-3 attached to the Supplemental Declaration of Morgan Kimball Regarding Distribution Plan (“Supplemental Kimball Declaration”), filed herewith. A revised proposed order referring to these updated exhibits is also filed herewith.

We are available to address any additional questions the Court may have.

Respectfully submitted,

/s/ Joseph A. Fonti
